Magic Maya - Rubber ring slide

An amazingly long tube slide that allows you to feel the speed safely on top of a rubber ring. The water slide is 152 m long and it ends in a 0,35 m deep safety pool. The height difference adds up to a staggering 12 m. The age limit for the slide is 8 years.

Villivirta - Wild river slide

Jump into the wildly streaming water and let it whisk you to the attraction pool waiting below. The length of the water slide is about 63 m and the height difference approximately 3 m. The water slide is only meant for those who can swim and the age limit is 10 years.

Children's water slides

There are two water slides for the youngest members of the family in our shallow children's pool.
