

WATERPARK ETIQUETTE

- In pools, slides and other water activities, special caution must be observed, as well as the instructions given and the instructions of the staff.
- Children who do not know how to swim and who are under the age of 10 must be accompanied by a guardian/supervisor who has reached the age of 18 and in the immediate vicinity, at arm's length from the child who cannot swim.
- Take a shower before going to the pool and sauna.
- The floor can be slippery, so don't run.

POOLS AND SLIDES

- Swimwear is worn in the area: swimming shorts and a burkini are also allowed.
- Children under 2 years of age must wear swimming trunks intended for baby swimming, with a drawstring in the leg or a long-legged collection swimsuit.
- Please check the instructions for the slides before going down.
- At the diving pool, you must make sure that you are not in danger of jumping on top of anyone.
- On the Wibit track, you queue up in the water and travel one at a time in only one direction. If you fall off the track, Queue your turn again. The Wibit track cannot be pushed from the sides.
- There are water toys intended for general use in the children's pool.

BEHAVIOR

- You may not be intoxicated in the pool area.
- Eating your own snacks is prohibited in our area.
- We are a non-smoking spa, this also applies to e-cigarettes.
- Be present - please leave your mobile phone in the changing rooms or the pool side lockers. Filming and using the phone in the area allowed only with the permission of the staff.

Disruptive behavior will result in removal from the area.
